PREPARING FOR A BRIGHT FUTURE WITH INNOVATIVE AND EXCITING LEARNING

Dear Mums, Dads and Carers

Many Cultures One Family Week – 4th – 8th November 2019

We are about to explore and celebrate the cultural diversity within our whole school family thus presenting ‘**MANY CULTURES ONE FAMILY WEEK**’. Our school is a vibrant explosion of many cultures, which makes it an enriching place for learning.

Each class will explore the diversity of the children and staff by gathering information about their background. The information may consist of many aspects such as languages spoken, food, national dress, customs/beliefs, religion, folk dancing, storytelling, celebrations etc.

The children will have a guest speaker on Friday 1st November for our children to start thinking about different cultures and celebrations. Our guest will share the story of ‘Rama and Sita’ as well as explain how and why Diwali is celebrated within the Hindu faith.

The aim of the week is to foster children's sense of wonder at the beauty of the world around them and to develop an awareness of the wider world. It is important to consider what we have in common, as well as what makes us different.

We hope that this week will lead to many exciting discoveries of what makes us all the same yet very different! So, come on mums, dads and carers, take part and return the slip below!!

Thank you.
