Your child's entry must be returned to school by **Monday 24th February 2020**. The entries will be sent off to SUSTRANS (see next page). There are prizes to be won!

We hope you will encourage pupils to take part in this competition, helping to raise awareness of air quality and encourage active travel to and from school. Design an air quality banner competition!

Sustrans is a charity that makes it easier for more people to cycle, walk and wheel and we want **YOUR HELP** to make London cleaner!

Design a banner that encourages people to pollute less to improve the quality of the air for everyone in London.

There is a template on the other side of this leaflet for you to design your own banner. Some things to think about:

- Encourage people to cycle, walk, scoot or wheel instead of using cars
- Come up with a snappy headline
- Make your banner as eye catching as possible!

Prizes!

- ⇒ A Sustrans certificate for the winning design from each school
- ⇒ The best design in each borough will be made into a real banner to be hung outside the school
- ⇒ The overall winning design will win a bike!

Check out some winning designs from previous years at the bottom of this page:
