

**THE MINSTER
NURSERY AND INFANT SCHOOL**
SCHOOL OF INSPIRATION
DETERMINATION HONOUR BELIEVE
PREPARING FOR A BRIGHT FUTURE WITH INNOVATIVE AND EXCITING LEARNING

17th March 2020

Dear Parents/Carers,

We are writing to you to alert you to the risk of both schools having to consider the possibility of partial or full closure.

We have sent out texts to establish how many of our parents/carers work for the NHS or Emergency Services to enable us to plan effectively should we need to close; even partially.

We have also been asked for email addresses for each child so that teachers can plan distance learning should the need arise. Parents/carers should email the office at office@minsterinfants.co.uk with their child's name and class if you did not receive the test email sent earlier today please.

I am sure you are aware that there are new guidelines on social distancing and self-isolation. It is possible that this guidance will affect staffing levels and, in turn, that will affect our capacity to continue as normal.

As our teachers are continuing to plan for and teach their classes, no other specific work will be set at this stage.

At this present moment, both schools are open as usual. However, if any of your family develop COVID 19 symptoms, the whole family need to self-isolate for 14 days. Whilst, your child is in school, we will continue to monitor their health. Should they become unwell, you will need to collect your child promptly if asked to do so.

We ask you, at this difficult time, to pay close attention to any texts or letters from school as we will provide updates on our levels of service as appropriate.

Yours sincerely

The Minster Nursery & Infant School
