PREPARING FOR A BRIGHT FUTURE WITH INNOVATIVE AND EXCITING LEARNING

Dear Parents/Carers,

20<sup>th</sup> April 2020

I hope you are all well during this very challenging time. I wanted to write to you to say thank you for the work you are doing at home to keep your children's learning going. I know this can be a challenging task!

Please remember that some reading, writing and maths each day will mean that your children are well prepared when schools do reopen. At the moment, we still have no idea when this will be,

I know many of you have been watching and participating with Joe Wicks with your children. I, too, have been doing his work outs and discovering muscles I didn't know I had!

Along with reading, writing, maths and Joe Wicks, there are many other activities you can do that are also valuable, For example, cooking together, playing board games and puzzles are all excellent learning opportunities to develop problem-solving, number and language skills. Of course, they also help to pass the time.

The home-school partnership has never been as important as it is at this time so please keep in touch with your child's Class Teacher on the class email address which is your child's class followed by @minsterinfants.co.uk

Your child's Class Teacher will be very happy to support you however they can as you support learning at home.

This time is challenging for many families and we are supporting families with the help of our dedicated kitchen team, led by Mrs Sandra Watkins. Mrs Lisa Parker, Family Liaison Officer, has been keeping in touch and supporting some of our families. If you find you are in need of support, then please contact us on [office@minsterinfants.co.uk](mailto:office@minsterinfants.co.uk)

Of course, any information you send will be treated sensitively and only shared on a 'need to know' basis.

My prayer for all of us is that we are able to find beauty and blessing in this strange time. God willing, we will all be back together soon.

Very best wishes,

Mrs Stephanie Edmonds
