PREPARING FOR A BRIGHT FUTURE WITH INNOVATIVE AND EXCITING LEARNING

Monday 11th May 2020

Dear Parents/Carers,

I am sure you will have heard that Boris Johnson has said that some year groups should return to school on Monday 1st June. This date is conditional based on the continued low Covid transmission rates.

Nevertheless, I am writing to you to let you know that we are planning to accommodate increased pupil numbers in school.

A significant number of our staff are either vulnerable or shielding vulnerable family members and so we will begin the task of working out which members of staff are able to come to work. We will also be looking at how we can change the organisation of drop-off and pick-up routines and any other aspects of the school day to keep us all as safe as possible.

I understand that you may have questions about this. Please email your questions to the office@minsterinfants.co.uk

We will do our very best to answer these questions. Please remember that we have only found out about the Prime Minister's decision (for some year groups to return to school) when you did. At the moment, we do not have any clarification on this.

Please look out for communication from school as we want you to be informed of any plans and decisions promptly.

At this time, if we need a response from you, then please respond. Our staff will not have the time to chase people for responses. Please check with each other to make sure everybody is getting the information they need. There may still be some for whom we have inaccurate contact details. I know our staff have worked hard to make sure your contact details are up to date. However, there is a possibility that some are missing out on vital contact with school.

In the meantime, I hope you are all well. I am looking forward to seeing more children in school. School has been a very strange place without you all!

Very best wishes,

Mrs Stephanie Edmonds
